WHO ARE WE

WE CREATE TECHNOLOGY TO ALIGN WITH YOUR BUSINESS TARGETS TO ENSURE YOUR CONSTANT GROWTH!

Founded in 2014, we are a group of problem solvers, forward-thinking facilitators, software architects, business strategists and IT consultants, based in Calgary, Canada. Within this time we have established ourselves as a leading IT company in Alberta and across Canada!

We have built 403 IT Solutions to be a holistic, tech focused company. We guide and support our clients through every stage of their digital transformation, helping them grow and nurture their businesses and organizations.

Our IT gurus combine tech expertise, critical insights, and intelligent business planning, with a client-centric strategy to tackle problems. We address challenges in managing businesses, digital renovations, risk forecasting and helping businesses and organization develop.

VISION

TO ESTABLISH **403 IT SOLUTIONS** AS A **GLOBAL MANAGED SERVICES PROVIDER** WHO ENABLES ORGANIZATIONS AND BUSINESSES ACHIEVE THEIR **OPTIMUM POTENTIAL**

SERVICES

WE START BY ANALYSING OUR CLIENT'S TRANSFORMATION GOALS. TO ACHIEVE THE DESIRED OUTCOME, WE ALIGN OUR FOCUS ON DESIGNING AN ULTIMATE DIGITAL STRATEGY.

SERVICES

MANAGED IT SERVICES

Run you IT assets at their optimum capacity, without the worry of managing them. Our expert team can handle software maintenance and support, while you focus on more revenue-driving tasks!

IT INFRASTRUCTURE

Developing, deploying and managing smart business systems that help you create more awesome organizations. We address client's business assets and design solutions and enable them to become a more effective digital entity.

BACKUP & DISASTER RECOVERY

We provide worry-free solutions to guarantee back-ups and quick recovery from a crisis. Our services come with a bill, but the peace of mind, they ensure, is priceless!

DIGITAL MEDIA & MARKETING

We offer all the digital marketing solutions paired with striking visual content. Our creative team is constantly designing new campaigns and churning ideas to move people and the numbers!

UX/UI

We help our clients create an effective online presence with sure-shot strategies. We create bespoke websites and help maintain them. We also have a team who develops state-of-the-art mobile apps that help businesses and organizations grow!

HUMAN RESOURCE DEVELOPMENT

WE ANCHOR OUR CUMULATIVE STRENGTH ON EMPOWERED INDIVIDUALS.

Our workforce comprises highly talented, vastly experienced, and up beat people. We believe in excellence and know that there is always room for improvement.

We at 403 IT Solutions are invested in the growth of our workforce. The magic potion of growth is education. We encourage our team to get involved in informal trainings while we provision mandatory certifications. We also conduct in-house trainings on privacy and security awareness, and on productivity applications.

Our inclusive practices have led us to create a team that is a force to be reckoned with. Our efforts towards team building has fostered trust and dedication. At, 403 IT Solutions, you get to work in a thriving environment with the top IT talent of the region. We work on innovative and challenging projects that will boost your career and groom you professionally.

MEET OUR DIRECTORS

VIVEK A BHARADWAJ

DIRECTOR / CEO

Vivek brings over xx years of tech expertise to the table. As the Director and CEO, He not only looks after the administrative side, he is also invested in immaculate execution and deployment of every project.

Before 403 IT Solutions, Vivek has worked with Tek-Composities and later joined HelpDesk Services for 7 years. He worked on designing and implementing email and CAD system and also deployed early iterations of SharePoint.

Vivek lives a stir-crazy life in Calgary with his wife Seema and son Aarav. He is a self-proclaimed golf-enthusiast and loves to strum an acoustic guitar.

MEET OUR DIRECTORS

MUNEEB AHMED

DIRECTOR SALES & BUSINESS DEVELOPMENT

Muneeb is responsible for client acquisition, sales and business development initiatives. He has extensive experience in customer services and business development.

He is an energetic individual who can liven up a room with his enthusiasm and charm. Paired with his ingenuity and skill, 403 IT Solutions is now ready to go Global.

Muneeb lives with his family in Calgary, but loves to travel the globe. He is secretly obsessed with reading and ensures he reads everyday no matter how crazy his schedule looks!
